

# UTILITY BILLS

For the safety of the community and in response to the COVID-19 VIRUS, The Town of Tappahannock will not be disconnecting utility service for bills that are due March 31, 2020 for sixty (60) days.

This does not mean that the utility bill has been waived. The utility bill is still due. If you have not paid your bill then it will be added to your next bill which will be due on May 30, 2020 and could be subject to disconnection if not paid in full.

Please stay safe during this difficult time.

James W. Sydnor  
Town Manager
